Aromas of raspberries and fresh blueberries with fresh herbs and licorice. It's medium-to full-bodied with creamy tannins. Round and juicy with plummy and spicy character on the palate.

Delicious finish. Drink now.

Shiny, rich ruby with a light edge. Opened with emphatically spicy notes of cardamom and bay leaf, followed by raspberry. Juicy and polished on the palate, a lot of raspberry fruit, good pressure in the final.

**92 pts**

A pure expression of Merlot, the 2017 TreSette is a dark, rich and savory wine that puts forth the richness and concentration that comes thanks to this hot and dry growing season. The wine is redolent of blackberry and black cherry with more plummy intensity at the back. That primary fruit is nicely backed up by sweet spice, tobacco and a sprinkling of cinnamon. It's a great wine for grilled sausages and roasted potatoes. Only 2,700 bottles were made.
