Fresh, clean and easy red with sliced candied lemon and hints of flowers like violets. It's medium-bodied and delicious. It builds on the palate. Crunchy and caressing texture. New age Toscana. Drink now or hold.

The 2020 Riecine di Riecine is a quirky, intriguing wine. Dried herbs, tobacco, incense, wild flowers and mint give this pure Sangiovese a decidedly savory flair. Medium in a body and also quite pungent, the Riecine di Riecine is decidedly exotic.

**WINE ADVOCATE - Monica Lerner**

With a simple rendition of a sphere on the front label in a bottle closed with a white wax capsule, the 2020 Riecine di Riecine is quite the statement wine. That very distinctive packaging is dedicated to this pure expression of Sangiovese from 60-year-old vines. It offers a lot of dark cherry ripeness, only this wine also shows a more evident veiling of sweet cinnamon spice that comes from the grape skins. The wine is fermented in cement and aged in cement eggs for 24 months. It is definitely more contemporary in personality. Only 3,000 bottles were made.

Helles, glänzendes Rubin mit granatroten Nuancen. Zeigt sich duftig, fast parfümiert in der Nase, nach Lavendel, Hagebutte, frischen Himbeeren und feiner Holzwürze. Eng gewobenes, edles Tannin am Gaumen, getragen von belebender Säure, mit langem, angenehm salzigem Nachhall.
